

Dear Business Owner or Donor,

Will you help create a memorable evening that celebrates 20 years of healing in Colorado?

We are requesting a high-quality item or service for our 20th Anniversary Gala auction (October 25, 2025). Your donation not only supports cancer patients with free Reiki and Healing Touch sessions — it also connects your business to a respected nonprofit that has delivered more than 32,000 healing sessions to 5,000 people over the past two decades.

As a donor, your business will be recognized in front of up to 180 Gala guests — an audience of community leaders, philanthropists, survivors, and caregivers who deeply value businesses that give back. You'll also gain lasting visibility through event materials, while knowing your contribution is part of a milestone celebration.

Your support helps us reach our 2025 goal of serving 600 cancer patients across Colorado. Together, we can offer comfort, dignity, and healing — while showcasing your business as a champion for community wellness.

Will you join us? Every donation makes a difference.

With gratitude,

Sandy Priester
Co-Founder and Executive Director
