

Subject: Auction Donation Request. Help Bring Peace to Cancer Patients

Dear Business Owner or Donor,

Will you help bring deep, restorative peace to someone facing cancer?

We are seeking an auction item or service valued at \$75 or more to support our **Sparks Online Annual Auction**, taking place April 13-18, 2026. This week-long online event will feature more than 100 high-quality items, with all proceeds benefiting cancer patients across Colorado.

Your donation directly supports free Reiki and Healing Touch sessions that help transform anxiety, pain, and emotional overwhelm into sustained calm and comfort. These services make a profound difference for individuals navigating the challenges of cancer.

One participant shared:

“The generous and insightful Reiki provider’s time and care have helped me manage physical pain, anxiety, brain fog, and the emotional turbulence that cancer has brought into my life. I am immensely grateful.” — Susannah

With your support, we aim to serve **600 cancer patients this year** by providing:

- Weekly healing sessions over 8–16 weeks
- Support at five major hospital cancer centers
- Both in-person and remote sessions to maximize accessibility

As an auction donor, you will receive:

- Recognition on our auction platform
- Promotion through our e-newsletters and on LinkedIn, Facebook, and Instagram
- The satisfaction of knowing your gift brings comfort and peace to those who need it most

The deadline to donate items is **March 31**, and every contribution makes a meaningful impact.

Thank you for considering partnering with us in this important work.

With gratitude,

Andrea Venenga
LifeSpark Board President, 720-750-1250
